

Fees

6 months – 3 years: £95 per standard day, 3 – 5 years: £80 per standard day

Fees include all meals, snacks, formula for babies, nappies, sun cream and two extracurricular activities from external childcare professionals. Fees are due in advance; parents are invoiced during the last week of the month – all fees are to clear into our account by the 5th. There can be no refunds for sickness or holidays.

Fee increases are calculated based upon the previous year's running costs and predicted increases from rent, wage increases etc. Parents will receive two months' notice prior to any increase.

Fees are calculated based on the 50 weeks of the year that the nursery is open, averaged into 12 monthly payments. Monthly payments will include Bank and Public holidays, which are payable in full despite closure, as our monthly staffing costs remain the same.

Fees can be paid in conjunction with Childcare Voucher Schemes (check with your work which voucher scheme they work with); FountNursery are happy to accept any additional proposals parents wish to use to offset fees.
